**Braden Insurance Agency is moving effective July 1, 2021. Our new address is 9750 Ormsby Station Rd., Suite 200, Louisville, KY 40223.**

First, we are humbled and sincerely appreciate the loyalty you have shown our agency over the past 60 years. We would like to thank you for the trust you placed in our agency in representing your insurance. We have prided ourselves to give you the very best service possible.

So that we can continue to offer you even more choices and continue our great customer service, **Braden Insurance Agency**, will be merging with **Hyland Insurance** effective July 1, 2021 as we have outgrown our current staff. Your existing insurance coverage will **remain the same** and there will be no change or interruption to your current policies.

**Braden Insurance Agency's excellent agents and customer service team will remain the same. We are here to service your policy and any insurance needs, and it will be business as usual.**

Over the coming months, we are excited to introduce you to **Hyland Insurance** and showcase why we **made this transition** to one of Louisville's premier independent insurance agencies. They have been in business since 1983 and represent the top companies in today's marketplace.

We would again like to thank you for the trust you have shown us over the past several decades. You can be sure that a **high level of service** will be maintained as we complete the merger on July 1, 2021 and move the **Braden Insurance Agency, Inc.**, business into the Hyland operation.

Sincerely,
